LEOTARD & PERFORMANCE WEAR TRY-ONS

Please see attached the 2021 Leotard/Performance Wear Catalogue along with size, price and ordering information direct from Danz Design.

RCP has been lucky enough to secure two nights for leotard try-ons, giving you the option to attend either of the dates below (both held at Clontarf Beach Primary School):

Wednesday 17th February: 4:45pm-8:45pm (in the back room)

Thursday 18th February: 4:45pm-8pm (in the main hall)

*If you are a Wednesday night student and plan to attend the Wednesday try-on day, please ensure you arrive before or after your class so as to not interrupt your physie lesson.

We strongly encourage ALL members to attend so you know which size/style fits you best. There will be a teacher there to help guide you and answer any and all leotard questions you may have!

FRIENDLY CLASS REMINDERS

- Please bring a water bottle to every lesson
- We advise all students to arrive 10 minutes prior to your scheduled start time to ensure you're ready to start class on time
- If required, please use the bathroom before class to avoid the need to leave during your lesson
- The playground is not included in our hire agreement, please refrain from using this facility as it will NOT be supervised by teachers or any RCP helper
- We ask all parents/family to remain outside the hall during class (with the exception of children of those in our ladies class). You may view your daughters class from the windows outside
- Please ensure you're at the hall on time to collect your daughter at the completion of her class

COVID-19 SAFETY PROTOCOLS

We are taking extra measures at all classes to ensure you can enjoy physie in a safe environment and we expect ALL students and parents to abide by these protocols.

- Hand sanitiser upon entry and exit
- Touch points & equipment wiped after each class
- Roles will be marked to track student attendance at every class
- If you're unwell, do not come to physie class until you have fully recovered
- Masks are not mandatory however, you may wear one if you wish
- Teachers will conduct head counts to ensure maximum number of people inside the hall is not exceeded
- Parents are NOT ALLOWED to enter the foyer or hall (unless you're using the bathrooms)
- If you wish to remain on the school grounds (ie on the benches outside of the hall) during your daughter's class, please ensure social distancing rules are maintained

SOCIAL MEDIA & MEMBER FACEBOOK GROUPS

RCP has a closed group for members (and their parents) only - this is a private group page where you can ask questions, share photos and talk to other Redcliffe City Physie members.

Please request to join us: 'Redcliffe City Physie - Members.'

All ladies who are registered in our ladies class can also join the ladies group: 'Redcliffe City Physie Ladies.'

Head on over to our public page 'Redcliffe City Physie' and give us a like and/or recommendation, and follow us on Instagram - let's share the physie love to the wider community!

COMMUNICATION

Our primary source of communication is via email as this is the easiest way for all three teacher's to read and respond to your questions and distribute information to you.

In an attempt to better our communication, all RCP registered members will have access to our members only portal of the RCP Website (once your registration & fees are up-to-date). Here, you will be able to access all newsletters and class notes along with some other handy tips and tricks as the year moves along.

You will always receive class, club event and competition details via email so please check your inbox regularly. If for any reason a class needs to be cancelled, you will be advised via email.

If you require information on upcoming events - please double check your emails and the portal prior to contacting us. Outside of physie, your teachers work full time and whilst we try to reply to all messages as soon as we can, you may find the answer here first! If you've looked and still can't find what you're after, please don't hesitate to shoot through a message - we're always happy to help!

During classes, we try to have all teachers inside so your girls get the most out of every lesson. But please catch one of us at either the beginning or end of a lesson if you need a quick chat!

CLASS TEACHERS

Each of our classes have one lead teacher:

Miss Jade
4-6yrs & 9-12yrs

Miss Courtney
7-8yrs & Ladies

Miss Briarne
9-12yrs & 13-1st yrs

If for any reason your teacher is going to be away (whether it be for one lesson or an extended period of time) one of the other two teachers will fill in.

During all classes, in addition to the lead teacher, you'll see us floating around the front, side and back of class. If there's a move that you can't quite grasp or something you're unsure of, please ask us and we'll be more than happy to help you!
