

# APRIL 2021

## TEACHERS MESSAGE

Hello RCP members and families,

Welcome back! We hope everyone had a joyful and relaxing Easter break and indulged in some yummy treats! This term we are gearing up for the upcoming competitions (Dance Night & Interclubs) which means we will be learning more and more of the syllabus each week to ensure you are prepared and ready for competition season!

**Tip of the month:** Come to classes! Attending weekly lessons is vital in order for you to learn and maintain the syllabus and the skills required to dance it correctly. At this stage of the year, missing classes will mean you may fall behind which we don't want to see. So please, join us weekly to ensure you don't miss out!

*"Physie is a unique language that allows us to feel and express ourselves when we are unable to use more conventional methods."*

- Candice Wolfson - BJP Physie
